

バス座席表 _____ 様

The diagram illustrates the interior layout of a bus. At the top right is the driver's seat (運転席). To its left is an empty rectangular box. Below the driver's seat is a blue rectangular area labeled '冷蔵庫' (Refrigerator). To the left of the refrigerator is a vertical rectangular box labeled '出入口' (Entrance/Exit). The main seating area consists of five rows of seats. Each row has a dashed rectangular box labeled '補' (Supplement) to its left, followed by two solid rectangular seat boxes. At the bottom of the bus is a large rectangular area labeled 'トランク' (Trunk).
